- **Print** - Print this page at 100% scale (actual size). Avoid any resizing-no shrinking, fitting, or scaling below 100%.
- **Cut** - Cut along the dotted line to separate the ruler from the page.
- **Measure** - Use the ruler to measure where your label will be applied, starting from 0 inches. If needed, tape the ruler in place to keep it steady. For wraparound labels, add an extra 1/4" for overlap.
